Disaster Success!!

“Disaster Success” may seem like a strange title for a newsletter article, however that is what we experienced at Carmel Manor on April 24th and 25th. You may have noticed our parking lot marked off with yellow caution tape and construction cones, or staff members walking or being transported looking like the walking wounded. You may have heard announcements of CODE EASY over the PA system or by bull-horn from the command station or observed staff members lying in odd places waiting to be rescued. This is all part of what we need to do to be prepared for any natural disaster that may occur.

Carmel Manor conducted a Mock Disaster Drill and Evacuation to practice what we have been taught and put into action our ability to keep our residents safe in the event of a natural (or unnatural) disaster. Staff were assigned roles of victim or rescuer and were quite realistic in their portrayal of each as we moved to evacuate the building. Our scenario was that of a fictitious “plane crash” into the building with various

exits blocked by fire or debris necessitating staff taking an alternate route to safety. Through each evacuation we noted what we did best and what may need to be adjusted moving forward. There were very few adjustments that needed to be made which speaks to the training and ability of our staff in their care for our residents. All departments participated and were willing to do whatever it takes to keep our residents safe.

Events such as this do not just happen, and we are very proud of all the planning and preparation that went into this disaster drill. We are also very proud of all our staff whose care, concern, and willingness to go above and beyond make Carmel Manor the true “home” that it is.

Sister Diane

Sponsored by the Carmelite Sisters, whose sole mission is to care for the aged and infirm. That mission informs everything we do: every policy we set, every staff person we hire, and every moment of every day. We offer two levels of care in our Ft. Thomas, Kentucky facility: personal care and skilled nursing care. In addition to meeting the physical, social, spiritual, and personal needs, our staff works to connect personally with each resident, and get to know their story.

The Day God Took You Home

*A million times
I've needed you
A million times I've cried,
If love alone
Could have saved you
you never would have died.
In life I loved you dearly,
In death I love you still.
In my heart you hold a place,
No one else can ever fill.
It broke my heart to lose you,
But you didn't go alone
Part of me went with you,
The day God took you home.*
