April 2021

Dear Family and Friends,

Greetings from Carmel Manor. We are so happy to welcome our families back to Carmel Manor. We have missed you!

We are continuing to do everything we can to keep our residents and staff safe. We conduct weekly testing of all staff and contractors. Our vaccine clinics in January and February went well with over 94% of our residents getting both doses. We are working with our consultant pharmacy to schedule an additional clinic for new residents and any staff who are ready to be vaccinated. We know that we will get through this difficult time if we all work together.

Please continue to wear your mask in public, even if you are vaccinated. And wash and sanitize your hands frequently.

We look forward to seeing you soon!

Sincerely,

Denise Corrou  
Administrator

*Sponsored by the Carmelite Sisters, whose sole mission is to care for the aged and infirm. That mission informs everything we do: every policy we set, every staff person we hire, and every moment of every day. We offer five*

## *A Prayer for the Deceased*

*O God, Creator and Redeemer  
of all Your faithful people,  
grant to the souls of  
all our faithful departed  
Your mercy, light and peace.*

*Lord, we pray that those we love  
who have gone before us in faith,  
may know Your forgiveness for their sins,  
and the blessings of everlasting life,  
in company with the Virgin Mary  
and all the angels and saints in heaven.*

*Amen.*

## VISITORS POLICY

### CARMEL MANOR

In mid-March we were very excited to be able to welcome family and friends back to Carmel Manor. We wish to thank everyone for helping us to follow the guidelines that the Governor gave to nursing homes.

It is important that we continue to comply with certain core infection control principles. Because of this we continue to ask you to agree to maintain safe practices. You will continue to be asked to schedule visits through our Receptionist at least 24 hours in advance. We will continue to take your temperature upon arrival and ask you to complete the screening tool.

You will be required to wear a mask, that we will provide, during the entire visit. If your loved one is in a private room, the visit will be in their room. If your loved one resides in a semi-private room, the visit will be in the Parlor. For these visits we can accommodate 2 people visiting each resident. At this point, we ask that visitors be at least 14 years of age.

Our staff will accompany you to the visit location but will not stay during your visit. Visitors must stay in the visit location until it is time to leave and then must directly exit the unit. Please note that visits are limited to 40 minutes to accommodate as many visits as possible. We ask that all visitors keep this in mind in fairness to all our residents and families.

If you have any questions, please call Merrie Hagemann or Denise Corrou. Thank you for helping us in welcoming visitors back to Carmel Manor and our residents.

# PLEASE PROTECT YOURSELF AND COWORKERS FROM COVID-19

Public Health  
Seattle & King County 

Stay home if you have any of these symptoms:

Wash your hands often for 20 seconds.

This is about as long as singing the "Happy Birthday Song" twice.

DO wear a face covering safely.

Tighten the loops or ties so it's snug around your face, without gaps.

Mask should cover from just under the bridge of your nose to under your chin.

- ✓ Always wash your hands before and after wearing a mask.
- ✓ Use the ties or loops to put your mask on and pull it off.
- ✓ Don't touch the front of the mask, especially when you take it off.
- ✓ Put on and remove your mask while inside your home. Public transportation, elevators and stairwells can be high-contamination areas.
- ✓ Wash and dry your cloth mask daily and keep it in a clean, dry place.
- ✓ Remember that masks offer only limited protection and work best in combination with hand washing and physical distancing.

**DON'T:**  
Wear the mask below your nose.

**DON'T:**  
Leave your chin exposed.

**DON'T:**  
Wear your mask loosely with gaps on the sides.

**DON'T:**  
Wear your mask so it covers just the tip of your nose.

**DON'T:**  
Push your mask under your chin to rest on your neck.

# Protect yourself from COVID-19 and stop the spread of germs.

## Simple steps help stop the spread of COVID-19 and other viruses:

**Wash your hands** often with soap and water **for at least 20 seconds**, especially before eating.

**Avoid close contact** with people who are sick.

**Avoid touching** your eyes, nose, and mouth.

**Stay home** when you are sick.

**Cover your cough or sneeze** with a tissue, then throw the tissue in the trash.

**Clean and disinfect** frequently touched objects and surfaces.

Stay up to date by visiting  
[www.ny.gov/coronavirus](http://www.ny.gov/coronavirus)

# Hand-washing technique with soap and water

Wet hands with water

Apply enough soap to cover all hand surface

Rub hands palm to palm

Rub back of each hand with palm of other hand with fingers interlaced

Rub palm to palm with fingers interlaced

Rub with back of fingers to opposing palms with fingers interlaced

Rub each thumb clasped in opposite hand using a rotational movement

Rub tips of fingers in opposite palm in a circular motion

Rinse hands with water

Dry thoroughly with a single-use towel

Use towel to turn off faucet

Hand washing should take 15-30 seconds

## The Difference is Love

This month we are introducing information about Palliative Care and what it means at Carmel Manor.

For Carmel Manor, based on the Carmelite Sisters for the Aged and Infirm Mission and Philosophy, Palliative Care begins for our residents at admission. Palliative Care is not dependent on prognosis and is provided throughout each resident's stay, in nursing or rehabilitative care.

The goal of palliative care is to bring comfort and support to all those who are admitted to Carmel Manor. Every person admitted is assessed in the different areas of pain. Care is provided through the prevention, assessment and treatment of physical, emotional, familial and spiritual pains. The intensity of palliative care increases as the disease process progresses with the emphasis on one aspect of care or another changing as the resident needs dictate.

There can be some confusion about Palliative Care and Hospice Care. All hospice care is palliative but all palliative care is not hospice care. This is a matter of timing and End-of-Life or Hospice care is to relieve pain and ease suffering provided to those who are clearly dying. Palliative Care can be combined with curative care or with less aggressive care.

In coming months we will provide additional information on Palliative Care and Dementia Care. We hope that you will find these articles helpful and reassuring of Carmel Manor's "Mission to Care". If you have any questions please feel free to contact our Social Services Department at 859-781-5111 ext. 214 or email Merrie Hagemann at [mhagemann@carmelmanor.org](mailto:mhagemann@carmelmanor.org).

Thank you for entrusting care of your loved ones to Carmel Manor and our staff

Dear Carmel Manor (IN918),

The Kroger Co. Family of Stores is committed to bringing hope and help to the local neighborhoods we call home. Our stores are on a mission to not just part of, but to help create a stronger community. We recognize that every community has unique causes that need support. Thank you for being such an important organization in our community.

We encourage you to ask your supporters to link their rewards card to your organization. Community Rewards is easy to use, The more your supporters shop with us, the more money your organization will earn!

We are committed to carefully protecting our customer's personal information. In order to meet their expectation of privacy, we have adopted a simple policy to never share a customer's personal information. Our privacy policy applies to Community Rewards participation as well.

Thank you for being such an important organization in our community,

Community Rewards Staff
